

PRIYANSHU BULEY

React Developer

buley2607@gmail.com

Indore, Madhya Pradesh

[linkedin.com/in/priyanshub/](https://www.linkedin.com/in/priyanshub/)

I am a skilled web developer with over 6 months of experience in HTML, CSS, JavaScript, React, Redux, Material-UI, and Tailwind. I am dedicated to delivering exceptional results and exceeding client expectations and am always seeking new challenges to improve my skills and knowledge.

Experience

Webonex

Frontend Developer (Intern)

- Develops web applications using React library
- Focuses on the client-side implementation of web pages and interfaces
- Works with back-end developers to integrate the UI with data and server-side logic
- Writes clean and reusable code with a focus on performance and scalability
- Debugs and troubleshoots issues related to React components
- Implements state management solutions such as Redux

Prodigy InfoTech

Frontend Developer (Intern)

- Thrived in an agile, sprint-based development setting, consistently meeting tight deadlines.
- Contributed to SQL-based database application development and management.
- Assisted in the design and implementation of responsive and user-friendly websites, ensuring optimal user experiences.
- Additionally, I also learned how to incorporate Material-UI into my projects to create visually appealing user interfaces.

Skills

- HTML
- CSS
- JavaScript
- React
- Context API
- Redux
- Material - UI
- Python
- Rest API's
- Git
- ES6
- React
- Hooks
- Tailwind
- GitHub

Projects

TicTacToe

- Implemented a two-player mode with alternating turns, real-time feedback, and automatic win condition checks, offering an immersive gaming experience.
- Crafted an intuitive and visually appealing user interface using CSS for styling and ensuring a user-friendly experience.
- Designed a responsive user interface, ensuring the game can be enjoyed on various devices and screen sizes.
- Organized the codebase using React components, enhancing code readability and maintainability.
- Effectively managed the game's state within the React framework, demonstrating proficiency in React's state management capabilities.
